Declare under our sole responsibility that the following product group

- KRK (Flap valves)
- Function: quantitative regulation and draining of sewage and surface water
- Year of construction: 2018

As to which this Declaration relates fully meet the requirements of Annex I, excluding the risk associated with incorporating the partly completed machinery into the composite machine and also confirms that the relevant technical documentation is in accordance with Annex VIIB

the product(s) also meet(s) the requirements of the following Directive(s):

- Low Voltage Directive 2006/95/EG
- EMC Directive 2004/108/EG

Notwithstanding the intellectual property rights of the manufacturer, we also declare that relevant information of the partly completed machinery will be submitted in case a reasoned request is issued by the national authorities.

We want to point out that the product(s) covered by this Declaration must not be put into service until the machinery into which it is to be incorporated or of which it is a component has been found and declared to be in conformity with the provisions of Directive 2006/42/EG and with national legislation, when applicable

The product(s) meets the harmonized standards NEN-EN-ISO 12100:2010

Issued in Biddinghuizen on 01-01-2018
